

## **CRITICAL ILLNESS PROTECT360**

Protecting Your Loved Ones in the event of a Critical Illness

# STATISTICS

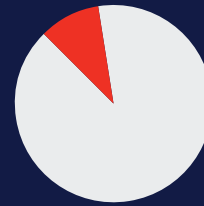

Do you know that 36 Singaporeans are diagnosed with cancer daily? How long can your savings last in the event that you are unfortunately diagnosed with such a critical illness?

Cancer accounts for about 30% of death in Singapore<sup>†</sup>

1 in 5 people in Singapore may develop Cancer in their lifetime<sup>†</sup>

About 10% of Stroke patients in Singapore are under the age of 50<sup>†</sup>

<sup>†</sup>Information adapted from <https://www.nrdo.gov.sg>

<sup>†</sup>Information adapted from <https://blog.seedly.sg/true-cost-cancer-treatment-singapore>

Although the cost will depend on the types of critical illness, drugs used and the different procedures, cancer treatments are estimated to be between \$8,000 to \$17,000 monthly\*. It is therefore important to have the necessary plan to protect your loved ones should the unexpected happen to you.

# AT A GLANCE

Critical Illness Protect360 is an affordable plan which provides you with financial protection against critical illness to ensure that your family can focus on what is more important - your treatment and recovery.

## CRITICAL ILLNESS

High coverage of up to S\$2 million for all 37 critical illnesses

## PERSONAL ACCIDENT

High coverage of up to S\$2 million in the event of an accidental death

## MEDICAL SECOND OPINION

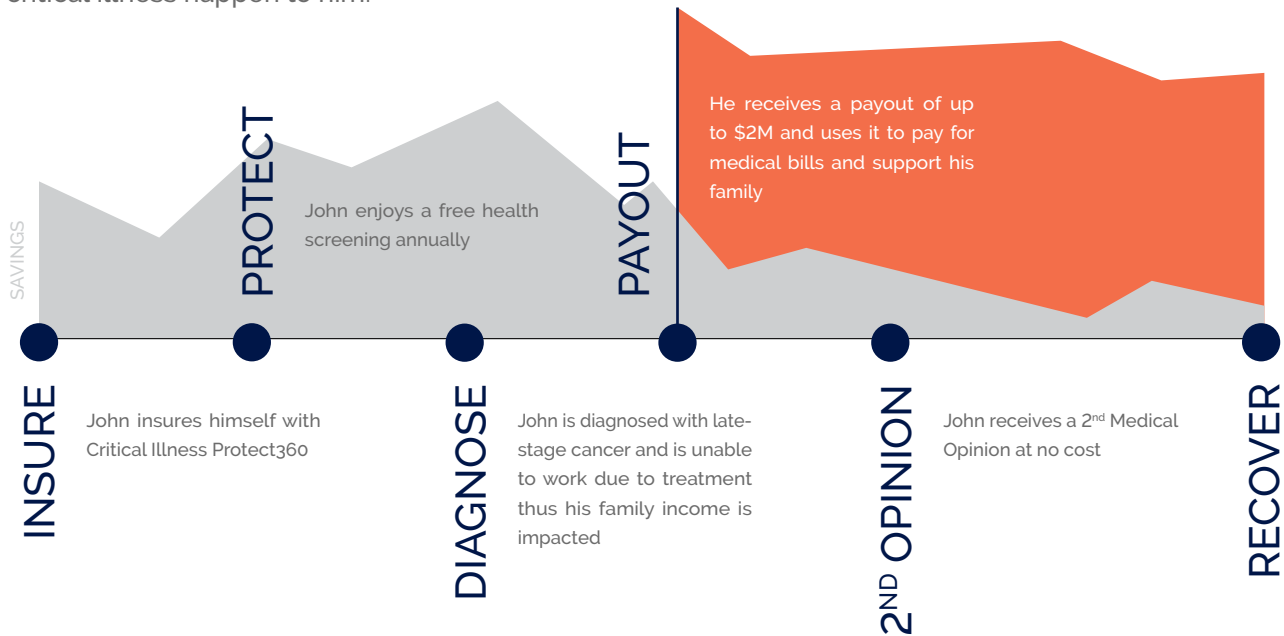

It is always useful to seek a second opinion to assist in making informed decisions about possible medical options. Critical Illness Protect360 provides a wide panel of specialists in Singapore for medical consultations should second opinion be required. The cost of the second opinion consultation will be borne by HL Assurance.

## ANNUAL HEALTH SCREENING

Critical Illness Protect360 provides all its policyholders with a free health screening once a year at our medical panel to make the protection complete.

# SCENARIO

John is 47 years old, a smoker and is the sole breadwinner for his family of four. His children are all studying and his wife stays at home to take care of his aging parents. He decides to purchase Critical Illness Protect360 which offers him annual free health screening and financial protection should a critical illness happen to him.
